MEDICARE OUTPATIENT SPECIALIZED THERAPIES CAP

As of January 1, 2006, Medicare is placing a limit on the amount they pay for outpatient physical and speech therapy combined. This allowed annual per beneficiary limit is **\$1880**. Medicare will pay **80%** of the allowed limit, which will be **\$1504**.

Orthopaedic Specialists of North Carolina will not compromise your care in any manner; we will assist you in tracking your visits and limits. If you reach your limit, we will work with you on a self-pay basis to continue your care so that your functional outcome will be maximized. Upon reaching your allowable limit, you will also have the option of receiving covered services in a hospital outpatient therapy setting.
