

WELCOME TO ORTHOPAEDIC SPECIALISTS OF NORTH CAROLINA! We are proud to serve as the Team Physician and Orthopaedic Specialist for your team. In addition to your primary insurance, you also have a "Secondary" or School sponsored insurance plan (this is mandatory for all high-school and College athletes and required by your Athletic Association). This secondary insurance plan will help to cover any additional expenses not covered by your primary insurance plan. To assist you and for your convenience, we will file both primary and secondary insurance claims. **In order for your claim to be covered by Student Insurance**, a claim form must be sent to United Healthcare within 90 days of the date you first received medical care. *If you have not been given a form by your athletic trainer we can provide you with one. When we have a completed form we will file your claim with the insurance company.*

Please follow these instructions:

1. All lines must be completely filled out and be sure to sign the Medical Authorization.
2. The form must be signed by a school official and the parent or guardian.

If we have not received a completed form and are unable to file your claim within 90 days you will be responsible for the bill. If you have any questions you can refer to the student insurance web site (www.k12studentinsurance.com) or call us at 919-562-9410 x1257.
